Find us the old fashioned way

We are situated a few hundred yards from the junction of the B6163 Thistle Hill [runs from Calcutt away from Knaresborough] and the A658 Knaresborough Bypass [joins A61 Leeds / Harrogate road to the A1 J.47]. Our location is definitely 'countryside' – 1.2 miles south of Knaresborough and 0.5 miles up the hill [south] from the Union Inn.

From A61

Take the first left after crossing the A58 Wetherby roundabout. We are situated a few hundred yards on your left just before the Welcome to Knaresborough sign.

From A1

Take the first right after crossing the Kirk Deighton / St James Retail Park roundabout. We are situated a few hundred yards on your left just before the Welcome to Knaresborough sign.

From Calcutt / Knaresborough

We are situated a few hundred yards before the bypass on your right – you'll pass the back of the Welcome to Knaresborough sign just before you reach the gate.

When leaving avoid turning right onto bypass. Turn LEFT & use roundabout

IMPORTANT -----Access to KCFC at Thistle Hill ----- IMPORTANT

The gate will be manned the majority of the time. If you arrive at the gate and it is unmanned please try the gate as it will be closed but not locked, **the gate must be shut behind you**. You can contact the clubhouse on **07527 838066** for further advice. Your host Manager will confirm gate exit arrangements after the match.

Café & verandah

We aim to open the café for every match so that you can enjoy a range of hot & cold drinks as well as hot sandwiches, cold snacks & confectionery.

Our spacious verandah offers a view over all 5 pitches and shelter from the elements on a bracing day. You are very welcome to enjoy all that we have on offer!
